Dear Ella - Perhaps you will like to see our church. We are ~~from~~ from houses down the other side of the street which shows the houses. It is owned on the other side and the tower, too, with ampelopsis which shows only the branches in the picture. We were charter members of the church and helped build this building and the S.S. room which has been finished only a little more than a year. It is the last part the Locust St. ~~city~~ side. Thanks for ~~pretty~~ cards you have sent me. I wish you could come to Rochester, dear - H.M.S.
